Denver, CO 80225

Dear Ms. Maher:

It is my pleasure to submit a letter in support of Metropolitan Water District of Salt Lake & Sandy's (MWDSLs) WaterSMART: Water and Energy Efficiency Grants FY 2011 grant application for its Little Cottonwood Creek (LCC) Flow Measurement Upgrade Project.

As a Distribution Engineer for the Utah Division of Water Rights I recognize the importance of accurate measurement of LCC water. Therefore, I support MWDSLs as they seek external funding for their LCC Flow Measurement Project.

If you have any questions I can be reached at (801) 538-7430 or by email at MikeSilva@Utah.Gov.

Sincerely,

Mike Silva
Distribution Engineer
